

# Welcome Letter

The Fredericton Pickleball Club (FPC) extends a warm welcome to you as a new member. FPC was established in 2015 and it is a friendly, social club that continues to grow as word spreads about this highly addictive sport called pickleball.

Please visit our website [www.frederictonpickleballclub.com](http://www.frederictonpickleballclub.com) for handy links to our play schedules and locations, the costs to play, a self-rating guide, the rules, events, frequently asked questions (FAQ), photos and YouTube videos.

FPC also has a Facebook page with photos, tips, pickleball news and other interesting happenings: <https://www.facebook.com/FrederictonPickleballClub>

## Safety is important:

- Wear proper court shoes.
- Avoid running backwards to hit a ball.
- Call 'ball' loudly if a stray ball lands in your court or a court beside you.
- Do not walk behind, alongside or on a court when another game is in play.
- Stay hydrated and rest when necessary.

Please you read our Frequently Asked Questions (FAQ) document on the Documents page of the FPC website: <https://www.frederictonpickleballclub.com/documents>
