

Welcome Letter

The Fredericton Pickleball Club (FPC) would like to extend a warm welcome to you as a new member. FPC was established in 2015 and it is a friendly, social club that continues to grow as word spreads about this highly addictive game called pickleball.

Please visit our website www.frederictonpickleballclub.com for handy links to our play schedules and locations, the costs to play, a self-rating guide, the rules, events, frequently asked questions (FAQ), photos and YouTube videos.

FPC also has a Facebook page with photos, tips, pickleball news and other interesting happenings: <https://www.facebook.com/FrederictonPickleballClub>

Safety is important:

- Wear proper court shoes.
- Avoid running backwards to hit a ball.
- Call 'ball' loudly if a stray ball lands in your court or a court beside you.
- Do not walk behind, alongside or on a court when another game is in play.
- Stay hydrated and rest when necessary.

Club practices:

- We pay our dues before we play.
- We typically set up and take down portable nets each time we play.
- Indoor venues have a paddle holder system to determine which players play on the next vacant court. Other members will provide a detailed explanation at the court.
- Training for all skill levels is provided.

If you have any questions or comments about the club, contact one of the Executive:

President	Alden Briggs	alden.briggs@icloud.com	476-9855
1 st Vice-President	Ann Marie Wood-Seems	annmarie.woodseems@gmail.com	897-0997
2 nd Vice-President	Mary Jacobs	mary.jacobs@td.com	440-3200
