Annual Court Fees

FPC defines two annual terms covering 8 months of indoor play:

1. Calendar term, which covers the period of January to December; this excludes June to September as there is no indoor play during the summer.
2. Seasonal term, which covers the period starting in October and ending May of the following year

Monthly cost for annual court fees for 2022 and 2023 is:

1. \$50 per month for Retirees
2. \$42 per month for Full-time Workers

You must pay a minimum of 4 months to be eligible for annual court fees. When paying for less than 8 months, please indicate the months with you intend on playing.

To be eligible for the annual rate, you must pay in full before the 7th of the month following the start of the term: November 7 for a seasonal term, February 7 for a calendar term. Exceptions can be made but only for new FPC members.

Payment Methods

The preferred payment method for court fees is via e-transfer to: fton.pickleball@gmail.com. When sending your payment, please include the names of all the players, as well as the months covered in the e-transfer message area.

If you do not use e-transfers, place cheque in an envelope and make sure your name and the number of months is marked either on the cheque or the envelope. The cheque can be given to any FPC Executive.

FPC Fees

Paid court fees allow members to play on any designated FPC indoor venue as per the FPC Calendar and your pickleball rating.

There isn't any court fee for Fredericton area residents the first time they play pickleball at an FPC venue or when they attend an 'Introduction to Pickleball' session.

Drop-in Fee

There is a **\$6 drop-in fee** per day up to a maximum of \$60 dollars over a 30-day period to play at FPC venues. Drop-in fees can be paid to any FPC Executive. This drop-in fee is only for visitors to Fredericton area.

General Information

FPC is a membership driven club and therefore each member is required to **pay court fees or drop-in fees before you play.**

Nasis Field House also charges an additional fee, either \$25 a year or \$3 per play session. Field House fees are not managed by FPC and are in addition to the FPC fees.
