

Luck-of-the-Draw

Women's Play and Super Senior's Play

What is Luck-of-the-Draw Play?

FPC is introducing two new play sessions. Luck-of-the-Draw format is when everyone plays against everyone else. Each game is played and timed for 10 minutes. At the end of the game, all players are assigned a new partner and new opponents for the next game. The games are fast and fun. You get to play with and against those who are in your **Lucky Draw**. Don't worry, you will get to rest and recharge your batteries occasionally.

Women's Play

Women's Play will be opened on **Playtime Scheduler** (<https://playtimescheduler.com/>) each Saturday for the following Thursday (November 2023 schedule). All **women** FPC members that have paid their court fees are eligible to sign up. With 3 courts, a maximum of 18 members can sign up. A waitlist will be created.

Super Senior's Play

Super Senior's Play will be opened on **Playtime Scheduler** (<https://playtimescheduler.com/>) each Saturday for the following Wednesday (November 2023 schedule). All **aged 70 and over** FPC members that have paid their court fees are eligible to sign up. With 3 courts, a maximum of 18 members can sign up. A waitlist will be created.

You need an account on **Playtime Scheduler**, and you need to sign-up for these sessions using it.

A lead person to organize the draw and set the timer is required for each session. If you are interested in this lead role, please contact Ann Flynn at annelizabethflynn@gmail.com.

Introduced to FPC on November 1, 2023.
